

Imaging Tutoring and Workshops

For Information: k.messamore@comcast.com

Cost: \$25 per hour plus \$5 per student

Kent Messamore is available for conducting Imaging Workshops or One-on-One tutoring. Kent has been working with Photoshop for over 15 years as a commercial business and hobbyist in photo retouching and restoration. His images have received awards in local, regional, and international competition. He has taught computers, Studio Lighting, and photo imaging extensively for Camera Clubs in the local area. Kent doesn't just teach "what the tools do" but brings workflow experience into the classroom.
